Areas Of Focus

Introducing the Young Leaders Network - Discover who we are, our mission, and the opportunities to partner with us!

Centering community and collaboration. We believe in the impact of strong relationships, guidance, and mentorship in creating transformative change.

Gain understanding on how to create and sustain alternative approaches to foster youth empowerment and facilitate justice.

We are thrilled to invite you to our inaugural Conference! This highly anticipated event is specifically tailored for up and coming, and current young leaders who are deeply committed to making a positive impact in the lives of young people in a new way. Whether you are involved in child welfare, juvenile justice or community organizing, this conference is designed to provide a collaborative space for youth empowerment professionals like you to connect, network, and support one another.
